| BOA® lace length                 | 130 cm                                      |

The warm lining, heat reflective Alu insoles and Sievi TractionPro® friction sole guarantee a comfortable user experience in cold weather. These safety boots have water-repellent PrimaLoft® thermal insulation, made of 90% recycled materials. The PU leather upper performs well in varied weather conditions. The BOA® Fit System takes the footwear to a new level of fit.
