

Lazer Roller High+ S3

Size	35 - 38 ◀▶ 39 - 48
Product code	43-52313-372-92M 43-52313-373-92M
Safety class	EN ISO 20345:2022 S3 FO HRO SC SR
Toecap	Composite
Perforation Resistant Midsole	Steel
Sole material	Double density PU/RU, Sievi TractionPro®
Upper material	Microfiber, PU coated leather
BOA® lace length	85 cm

The Lazer Roller High+ ankle boot includes our FlexEnergy® element, which is visible through the cut-out in the heel of the shoe. This allows it to move more freely, thus increasing the flexibility of the shoe. The Sievi TractionPro® friction sole ensures excellent grip. The ankle features PORON XRD® support, which moulds itself to the wearer's foot to support the ankle and absorb shocks.
