| Perforation Resistant<br>Midsole | Composite PS                         |
| Sole material                    | Double density PU/TPU                |
| Upper material                   | Split leather                        |
| BOA® lace length                 | 90 cm                                |

This shoe features composite textile perforation-resistant midsole, developed to provide protection against even the thinnest nails. The upper is made from breathable and durable split leather. The BOA® Fit System makes the shoe faster to put on. Added support is provided by the memory foam ankle protection, which, with heat, moulds to the shape of the wearer's foot.
